

Privacy Policy

1. worldfestival2022.hu and its operator respect the privacy rights of visitors and users and ensure the protection of the privacy of visitors and users.
2. By personal data we mean the information that allows us to identify our visitors and users, such as username and email address. We do not collect or store any information (such as address) that can be used to physically contact visitors and users.
3. worldfestival2022.hu only records personal data that the visitor or user voluntarily provides at the time of registration. We will only use your personal data for purposes related to the provision of the service and will only process personal data that is necessary for the provision of the service, is relevant for the purpose of providing the service and is processed only to the extent and for the duration necessary for the fulfilment of the purpose. In the course of data processing. The worldfestival2022.hu ensures the accuracy, completeness and timeliness of the data and that visitors and users can only be identified for the time necessary for the purpose of data processing. We do not transfer your personal data to third parties, except in the cases provided for by law and with the express and voluntary consent of the visitors and users. If any of our visitors or users request that we delete their personal data from our own systems (subject, of course, in some cases, to the condition that they may not be able to use the service or use it in full), we will do so without delay. Please send us your request or any questions or comments regarding the processing of your personal data by e-mail to info@Clubarena.hu.
4. worldfestival2022.hu shall ensure the security of the data, and shall take the technical and organisational measures and establish the procedural rules necessary to enforce Act CXII of 2011 on the Right to Informational Self-Determination and Freedom of Information and other data and confidentiality protection rules. We take appropriate measures to protect the data against unauthorised access, alteration, transmission, disclosure, deletion or destruction, accidental destruction or damage, and loss of accessibility due to changes in the technology used.
5. In some cases, our servers automatically register the IP address of our users or visitors browsing the site, the type of operating system and browser software they use and some other information. This information will only be used in aggregated and processed form, to correct possible errors in our services, to improve their quality and for statistical purposes. We use appropriate technical solutions to ensure that the data stored in our records cannot be directly linked to other data provided by visitors or users in any form and cannot be attributed to visitors or users.
6. Some of our services place a unique identifier, called a cookie, on our users' computers. Cookies are only used to help identify users and are not used for any other purpose. Blocking visitors and users from accepting cookies is not a barrier to using most of our services.
7. All users use public communication channels (forums) as part of our services at their own risk. The copyright of the various contributions belongs to the respective user, however, the Service Provider has the right to quote and reproduce them without limitation. Comments may only be printed, downloaded or distributed by third parties for personal use and may only be used with the written consent of the Service Provider. We would like to draw the attention of our visitors and users to the fact that comments and public communications on public communication channels are subject to various laws (Act CLXXXV of 2010, Act IV of 1978). We

handle the data suitable for the individual access of users who use our communication services with the utmost care, in strict confidence, without any unauthorised access, and, apart from the exceptions provided for by law, we do not disclose them to third parties. The forum service prohibits any activity for which money or other consideration is solicited or accepted, or by which the products or services of any service provider not in business with or affiliated to the Service Provider are promoted, offered or referred to.
